Request for extended supply of medicine 2019

Who we are

TFG Medical Aid Scheme (referred to as 'the Scheme'), registration number 1578, is a non-profit organisation, registered with the Council for Medical Schemes.

Discovery Health (Pty) Ltd (referred to as 'the administrator') is a separate company and an authorised financial services provider (registration number 1997/013480/07). We take care of the administration of your membership for the Scheme.

Purpose of the form

This is an application to ask for an extended supply of chronic or acute medicine.

We will review this request only when you need the extra supply of chronic or acute medicine because you will be outside the borders of South Africa for longer than one month, or up to and no longer than six months. Please note: the maximum period for extended supply of medicines we will consider is six months. We will decline requests for periods longer than six months.

If you change to a plan with a smaller Chronic Illness Benefit, cancel your Scheme membership or if your membership is suspended during the period for which we have approved your extended supply of medicine, you may have to pay the costs yourself or we may need to recover the money from you.

How to complete this form

1. Please use one letter per block, complete in black ink and print clearly.
2. You need to apply at least 7 working days before you travel.

Please note

This is an approval for funding only and does not override any legal requirements that your pharmacist must comply with. You will need to have a valid prescription for the requested medicine and there are some medicines where the maximum quantity that can be dispensed is a 30 day supply.

Please also check the Customs requirements and laws of the country you are visiting before you travel to avoid any issues with travelling with your medicine.
