Income verification for existing members

Income verification may be conducted to determine whether you are registered on the correct income band. Income is considered as: The higher of the main member or registered spouse or partner's earnings, commission and rewards from employment; interest from investments; income from leasing of assets or property; distributions received from a trust, pension and/or provident fund; receipt of any financial assistance received from any statutory social assistance programme.

Who we are

TFG Medical Aid Scheme (referred to as 'the Scheme'), registration number 1578, is a non-profit organisation, registered with the Council for Medical Schemes.

Discovery Health (Pty) Ltd (referred to as 'the administrator') is a separate company and an authorised financial services provider (registration number 1997/013480/07). We take care of the administration of your membership for the Scheme.

Important notice:

Declaring income lower than your actual income is fraud. This will lead to the immediate cancellation of your membership and you will not be able to join the TFG Medical Aid Scheme again.
