How TFG Medical Aid Scheme members are covered in an emergency

Through our emergency benefit, we are able to ensure that our members have access to timeous, optimal patient care in emergencies. Calls are managed by highly qualified emergency personnel who assess each case and initiate the most appropriate air or road evacuations based on protocols and resources available within a specific geographical area.

When you have an emergency:

- Call 0860 999 911. Discovery 911 is operated by Netcare 911, 24 hours a day, seven days a week.
- Your call will connect you with highly qualified emergency personnel.
- We will immediately dispatch the most appropriate emergency medical service within your geographic area.
- Medically necessary emergency transport is covered from the Hospital Benefit.

Emergency Transport

You receive cover for:

- Emergency transfers from the scene of an accident, or from the location where you became ill or injured, to the nearest and appropriate medical facility
- Emergency transfers from one medical facility to another, where you need to be moved to a medical facility that is better equipped to deal with your injury.

* Transfers may be via road or air ambulance, if the clinical entry criteria is met.

Emergency Assist

By downloading the Discovery App, you have access to our cellular phone-based panic alert system in an emergency. As soon as you push "Emergency Assist" you have two options: call me back or call an emergency operator. This service signals an alarm without requiring verbal identification. A member activating this panic alert will be contacted immediately. If there is no response, we will use our technology to locate you as long as you have your GPS on and an emergency vehicle will be dispatched.

Complaints process

You may lodge a complaint or query with TFG Medical Aid Scheme directly on 0860 123 077 address a complaint in writing to the Principal Officer at the Scheme's registered address.
