TFGMAS Network HOSPITALS

Both TFG Health and TFG Health Plus offer unlimited Hospital cover. TFG Health Plus members may obtain services from any Hospital in the country, however, may experience Deductibles if they do not choose a Hospital that is in the Designated Service Provider (DSP) List. Please find this list of Hospitals using the MAPS tool available on the Scheme's website. TFG Health members must obtain services from the following approved Network Hospitals. Outside of this Network of Hospitals, TFG Health members cannot obtain Hospital services. The TFG Health Plus Benefit Plan also make the below list of Hospitals available to its members in order to obtain services for PMB conditions without Deductibles. Please consult your TFGMAS benefit brochure of 2021 for more information in this regard.

DAY SURGERY NETWORKS

You have cover for a defined list of procedures in our day surgery network on the TFG Health and TFG Health Plus Benefit Plans. If you do not use one of these hospitals for a planned day surgery admission, you will need to pay these claims. A clinical exceptions process applies to all cases with complex presentations and those procedures that may require an extended length of stay. The member will be transferred to an appropriate facility where required. TFG Health Plus members will need to pay an upfront R1 500.00 for planned admissions for day surgery procedures to any other private hospital. This does not apply in an emergency.
