

# TFG Health

## 2021 BENEFIT SUMMARY

**TFG Health is a Network Benefit Plan which offers a range of benefits in and out-of-hospital up to predetermined limits or unlimited at contracted Network Service Providers, such as, but not limited to:**

ICON for Oncology services, the Dental Risk Company for dental benefits, IsoLeso for Optometry and a Hospital Network known as the KeyCare Network Hospital. Please consult this brochure carefully to familiarise yourself with this Benefit Plan's restricted Networks to understand how it could serve your healthcare needs the best. **It is important to note that on this Benefit Plan services obtained outside the Networks is not covered.**

Use the MaPS tool on [www.tfgmedicalaidscheme.co.za](http://www.tfgmedicalaidscheme.co.za) or on the Discovery app to look for a KeyCare Network GP or a Hospital in your area that offers full cover. Call us on 0860 123 077 with any queries.

### TFG Health Members are serviced by KeyCare Network of Service Providers only
