## 2. Claim details (continued)

4. There are certain things you need to be aware of before you apply for a special payment from your Medical Savings Account:
  - The main member must complete and sign this application form.
  - You need a valid claim to get approval for your special payment. The claim must be attached to this application form.
  - Special payments from your Medical Savings Account will only be considered if your healthcare professional is appropriately registered with the board of Healthcare Funders (BHF). This means the healthcare professional must have a BHF practice number.
  - Special payments from your Medical Savings Account must be for a valid and recognised medical procedure, treatment, or product, in terms of your Benefit Option and LA Health Medical Scheme's rules.
  - We do not approve special payments on quotations, as you may only apply for a special payment for a procedure or treatment already received and not for future expenses.
  - Special payments from your Medical Savings Account cannot be made for procedures or substances, that may be considered harmful, for example, anabolic steroids and slimming substances.
  - Special payments from your Medical Savings Account always depend on an approval process.
  - Claims must be for a minimum of R100 (one hundred rand).
  - If you have a waiting period, you cannot apply for a special payment from your Medical Savings Account.
  - If approved, the special payment from your Medical Savings Account will be made to you, the member, and not directly to the healthcare professional, as you will be responsible for paying the healthcare professional.
5. This payment, which we call a "Medical Savings Account exception" is made at LA Health Medical Scheme's discretion. That is, LA Health Medical Scheme has the freedom and authority to decide whether or not to make the payment. Making the payment is optional and not a requirement of LA Health Medical Scheme.
6. LA Health Medical Scheme will not be held responsible for any consequences, (whether medical, financial or otherwise), that may result from the healthcare service you claim for. By having the healthcare service and accepting the "Medical Savings Account exception" funding decision, you may not hold LA Health Medical Scheme responsible for any claims for loss or damages that may for any reason be brought against LA Health Medical Scheme by you or any third party.
