If you are registered on the TFG Health benefit plan, you must use choose a doctor who is on both the KeyCare network and Premier Plus HIV GP Network to avoid a 20% co-payment. In 2024, if you are registered for a chronic condition, you will be prompted to nominate a primary care network doctor according to your chosen health plan. This nomination process will not impact your benefits and cover in 2024. We will share communication during the course of 2024 to explain:

- The process to follow to nominate your primary care doctor (GP).
- How to change your nominated GP, if necessary.

Members registered on both TFG Health and TFG Health Plus benefit plans need to make use of a HIV DSP Pharmacy to avoid a 20% co-payment. Please log on to www.tfgmedicalaidscheme.co.za to confirm a DSP pharmacy near you or make use of MedXpress.
