Your approved hospital admission is subject to your available cover on your chosen benefit plan as summarised in the benefit tables in the 2022 TFG Health and TFG Health Plus benefit guides. TFGMAS members may opt to receive IV-infusions, wound care and postnatal care in the comfort of the member's home. These services are provided by professional nurses and care workers trained by Discovery Health. In these instances the IV-infusions, wound care and postnatal care will be paid unlimited at 100% of the Scheme Rate, if funding is approved and it is confirmed that hospital admission is not required, from the hospital benefit. The provisions of PMB is applicable.
